

**If you made one change,
what would it be?**

**What are some alternative solutions
you might consider?**

**What do you think is missing
from your work right now?**

**What is holding you back from
advancing your work?**

**What kind of feedback would
be helpful to you right now?**

**Based on what you said,
I recommend ...**

What if you ... ?

**Whose perspective is missing
from your work?**

**Who do you think can help you
take this to the next level?**

**Is there a way to improve this
by taking something away?
Or adding to it?**

**I noticed
Did you do that on purpose?**

Your project is unique because ...

Why did you make the decision to ... ?

**I think other people
might not notice that ...**

**Looking at it from a different
perspective, I realized that ...**

**Do you think a stranger would
understand this project
without your explanation?**

**After studying this part carefully,
I noticed that ...**

**Which part do you want
me to focus on?**

**At first, I saw ...
but now, I see**

**Which part do you think
I am not understanding?**

**Does this make sense to you?
Which parts are confusing?**

What if you replaced this part with ...

**What would happen if
you made a change here?**

What am I missing?

This reminds me of ...

This is the opposite of

Which part is most important to you?

Who is the audience for this work?

How does this part work?

**Have you considered a different
perspective or approach?**
